Bondstec 0247, Boots 0272 0217 0009, Bosch 0320 0327 BPL 0037 0556 0282, Bradford Elite 0218 0037 0556 0320 0305, Elman 0102, Elta 0009 0068 0264 0216 0431, Emco 0247 LG 0037 0056 0370 1178 0009 0377 0032 0001 0217 0002 0556 0714 0216 0431.

During both my undergraduate and graduate education at CWRU, I have been involved in research projects that focused on the development of advanced medical devices. One example is the LGMedSupply TEC Elite portable TENS unit (Figure 1-3) which is indicated for use in reducing pain. The LG-TEC ELITE is a TENS Unit for Pain and a Muscle Stimulator for Electrotherapy. The instruction manual and easy to use Digital LCD screen makes it user-friendly.

LGMedSupply LG-TEC Elite Tens Unit and Muscle Stimulator Dual Combo With AC Adapter (B00404RK64), B00404RK64, 813520011063, 0813520011063.
